

Boundless : CSMA Tour : Black Forest : Germany 19th- 26th June 2022

For those who have been before it's a chance to visit an old friend. For those who have not, it's a chance to find out what people have been talking about. It's about mountains, valleys, lakes, forests, gateaux and sweeping curves in an area famous for cuckoo clocks. The area has some of the best biking roads in Europe - look up the B500.

The roads are in great condition with long sweeping bends and frequent changes of vista. Typical June day time temperatures are 22 degrees, 10 degrees at night with a low rainfall; ideal motorcycle cruising conditions.

The trip is suitable for riders of all abilities including those who have never travelled abroad before. The rides, once there, are up to you but there will be plenty of opportunities to go out on your own or team up with others.

The Hotel

The hotel we will be staying at will be the Hotel Waldblick in Schenkenzell (www.hotel-waldblick.de). It is a well-appointed hotel that we have used before. It is located in the centre of the Black Forest to the north of Freudenstadt and Lake Constance. It has great reviews and all the facilities you would need including garage parking for the bikes.

The address is Hotel Waldblick, Schulstrasse 12, 77773 Schenkenzell. Tel +49 7836 93960 / email info@hotel-waldblick.de.

There is a lot to do in the area- impressive waterfalls, lake cruises, thermal baths, cuckoo hunting, Bollenhut spotting and local rail journeys. The hotel is about 450 miles from the Eurotunnel port at Calais.
