Annual General Meeting – PLUS

This is the time of year when the Committee invites all our local members to pass judgement on what we have been doing, and put forward ideas for what they want to see in the coming year. We shall be looking for one new member for the Committee to provide energetic and resourceful input to our future programmes. Could that be you? If so, contact Nancy or Roy for more information, and don't be shy about putting your name forward. You will be very welcome.

The AGM will be followed by a talk from Simon Partridge. This is a free event for members and guests and there is ample free parking.
