In particular (but without limitation), the Directors shall be responsible for the management of all commercial activities of the Association and its subsidiaries. The Board may establish such subsidiaries as it shall see fit from time to time.
- D2. No alteration of the Memorandum or Articles shall retrospectively invalidate any prior act of the Directors which would have been valid if that alteration had not been made.
- D3. A meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.
- D4. The Directors may, by power of attorney or otherwise, appoint any person to be the agent of the Association for such purposes and on such conditions as they determine.
- D5. The Directors may delegate any of their powers to any committee consisting of one or more of the Directors and (if thought appropriate) other persons who need not be members of the Association. They may also delegate to any Director holding any executive office such of their powers as they consider desirable to be exercised by him/her. Any such delegation may be made subject to any conditions the Directors may impose, and either collaterally with or to the exclusion of their own powers and may be revoked or altered. Subject to any such conditions, the proceedings of a committee whose members include two or more members of the Board shall be governed by the Articles regulating the proceedings of Directors so far as they are capable of applying.

### **BOARD MEETINGS**

- D6. Subject to the provisions of the Articles, the Directors may regulate their proceedings as they think fit.
- D7. A meeting of the Board may be convened by the Secretary on the direction of (i) the Chair of the Association; or (ii) the Vice-Chair of the Association; or (iii) the Chief Executive; or (iv) any three Directors. Reasonable notice of unscheduled meetings (preferably seven days before the meeting) shall be given in writing by email or fax to each member of the Board. Subject thereto, a notice calling a meeting of the Board need not be in writing.
- D8. It shall not be necessary to give notice of a Board meeting to a Director who is absent from the United Kingdom.
- D9. A Director may participate in a meeting of the Board (or any committee thereof) by means of a conference telephone or any other communication equipment which allows all persons participating in the meeting to hear one another. Such a participant shall be deemed to be present in person at the meeting and shall be entitled to vote and be counted in a quorum accordingly. The meeting shall be deemed to take place where the largest group of those participating is assembled or (if there is no such group) where the person chairing the meeting then is.
- D10. The Chair of the Association, if present, shall take the chair at every Board meeting and if he/she is not present within five minutes after the time appointed for the meeting or is present but unable or unwilling to take the chair, the chair shall be taken by the Vice-Chair of the Association. If the Chair and Vice-Chair of the Association are both absent or unwilling to take the chair, the Directors who are present shall elect one of their number to chair the meeting.
- D11. Questions arising at a meeting of the Board shall be decided by a majority of votes. In the case of an equality of votes, the person chairing the meeting shall have a casting vote.
- D12. The quorum for Board meetings may be fixed by the Directors and (unless so fixed at any other number) shall be five, of whom at least three must be Member-Appointed Directors.
- D13. The continuing Directors or a sole continuing Director may act despite any vacancies in their number, but, if the number of Directors is less than the number fixed as the quorum, the continuing Directors or Director may act only for the purpose of filling vacancies or of calling a General Meeting.
- D14. All acts done by a meeting of Directors, or of a committee of Directors shall (despite the fact that it is discovered afterwards that there was a defect in the appointment of any Director or that any of them were disqualified from holding office, or had vacated office, or were not entitled to vote) be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.
- D15. A resolution in writing signed by not less than three quarters of the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors (subject to a minimum of five Directors) shall be as valid and effectual as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of several documents in the like form, each signed by one or more of the Directors.

- D16. If a question arises at a meeting of Directors or of a committee of Directors as to the right of a Director to vote, the question may, before the conclusion of the meeting, be referred to the person chairing the meeting and his/her ruling in relation to any Director other than himself/herself shall be final and conclusive.
- D17. The Directors shall cause minutes to be made in books kept for the purpose:
- (a) of all appointments of officers made by the Directors; and
  - (b) of all proceedings at meetings of the Association and of the Directors and of committees of Directors, (including the names of the Directors present at each such meeting).

#### **DISCLOSURE OF INTERESTS**

- D18. Subject to the provisions of the Act, and provided that he/she has disclosed to the Board the nature and extent of any material interest of his/hers, a Director (despite his/her office):
- (a) may be a party to, or otherwise interested in, any transaction or arrangement with the Association or in which the Association is otherwise interested;
  - (b) may be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any corporate body promoted by the Association or in which the Association is otherwise interested;
  - (c) shall not, by reason of his/her office, be accountable to the Association for any benefit which he/she derives from any such office or employment or from any such transaction or arrangement or from any interest in any such corporate body; and
  - (d) any such transaction or arrangement shall be valid and binding on the Association despite such interest or benefit.
- D19. If a proposed decision of the Directors is concerned with an actual or proposed transaction or arrangement with the Association in which a Director is interested, that Director is not to be counted as participating in the decision-making process for quorum or voting purposes unless
- (a) the Director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or
  - (b) the Director's conflict of interest arises from arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former Directors.
- D20. If a question arises at a meeting of Directors or of a committee of Directors as to the right of a Director to participate in the meeting (or part of the meeting) for voting or quorum purposes by reason of Article **D19**, the

question may, before the conclusion of the meeting, be referred to the person chairing the meeting whose ruling in relation to any Director other than himself/herself is to be final and conclusive. If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the person chairing the meeting, the question is to be decided by a decision of the Directors at that meeting, for which purpose the person chairing the meeting is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

#### **COMPOSITION OF THE BOARD OF DIRECTORS**

D21. The Board shall consist of:

- (a) the Chair of the Association,
