

Boundless by CSMA AutoSOLO and Autotest
25th February 21st April, 16th June and 11th August - 2024

Please come along to the Lymm events and have a fun day's motorsport with our team, All 4 events will be run by **Boundless by CSMA, North West Motorsports Group in 2024.**

SUPPLEMENTARY REGULATIONS

Please enter online. A copy of these supplementary regulations is available online at www.anwcc.co.uk and www.sd34msg.org.uk. **You may also register online for the ANWCC and SD34 Championships.**

For 2024 - Sadly due to cost increases over the last few years, we now need to charge an entry fee of £48. 25% of this fee is to cover the permit fees for MSUK, however, two sites are proposed to hopefully increase the driving time for you.

The event will follow the Drive - Rest - Marshal - Rest system and will have 4 separate paddock areas for spacing of the groups. Each driving session will last around 30 minutes. **ALL times to count** in the Autotest, AutoSOLO and PCA. The number of runs in each session will be a minimum of 3 if we have a maximum entry giving you 18 tests in all. We plan the events to be finished by 16:00. **ALL competitors and marshals, please assist in clearing the cones and barriers at the end of the event. This help is appreciated by our team.**

Compared to a normal autotest, speeds tend to be a little higher and the tests will be longer. Cars will start at timed intervals and there will be two or more cars on the course at the same time. Competitors also act as course marshals on a rotating basis.

Some tips for first timers,

- Increasing tyre pressures by 5-10 psi will help with turning and reduce wear.
- Always wear a seat belt. You will go faster.
- Learn the course. Don't go flat out and make a mistake on the first run.
- If you make a mistake drive the rest of the course properly. You are still learning
- Talk to regular competitors for advice.
- ENJOY YOUR DAY.

Lymm Autosolo/ Autotest events, organiser's statement

The venue is an open-air truck park, at a motorway services that is open to all cars and trucks on the M6 and M56 motorways. Full catering and toilet facilities are available on site. The numbers expected, drivers and marshals, at each event is a maximum of around 100 over the whole test site. This number is small when compared to the numbers using the services on any one day and is an insignificant extra risk.

Those attending are normally fit and healthy, for the tasks required.

Note to all potential entries:

A FULL refund of your entry fee will be given if we cannot run the event or if you are unable to attend the event due to illness. Please let us know by email as soon as possible if you are unable to attend as we may be able to give your place to someone else.
