Signing-on and breakfast will be at the Angel Hotel from 9.00am until 9.45am.

Breakfast will be available from 9.00am, after signing on.

Participants should aim to leave themselves sufficient time for this activity.

There will be a short, drivers briefing at 9.45am.

At the start, a rally plate will be provided (for fixing to the front of the vehicle) plus, a tulip road book, list of entrants and emergency phone numbers should you be delayed en-route, or experience problems during the day.

SR6 – Description and Vehicle Eligibility

The event is a Touring Assembly covering approximately 60 miles of sealed surface roads of all classes, chosen where possible for their scenic appeal and is open to all three or four wheeled passenger vehicles of any age. All vehicles must be taxed, insured, roadworthy and, where appropriate, hold a current MOT certificate.

Maps are not essential as a **tulip road book** will be provided by the organisers. This will be a step-by-step series of instructions giving distances, in miles, which will enable the navigator to guide the driver along the route at each relevant road junction, and will give the accumulated mileages to each point. It will be made clear each time the trip meter should be zeroed. Points of interest and suggested stopping places will be included en-route.

A road atlas, (to a minimum scale of 4 miles to 1 inch) is however, recommended as it will give an overview of the complete journey.
